

Welcome to an exciting opportunity!

St. Joseph's School has a growing community, connection, and enrollment! It is our priority to connect with local businesses to dually benefit our school and your company. Through an annual commitment of advertising, we can include your company on our numerous and varied publications each year reaching a significant number of Fargo/Moorhead residents. Not only is your company being highlighted to respected members of our community, you are directly impacting the function and work of St. Joseph's School, an establishment that has been in our community since 1880!

Check out our enclosed three-tiered "Saints in the Community" program that is perfectly suited for your company's advertising needs.

Thank you,
